OGS Program for June from Peggy Cooley

Another program year is coming to a close. Thanks to all of you for a fun year! In June, Jerri McCoy will talk about "Resolving Difficult Problems by Using Land Records". Many land records are readily available and can help fill in blanks caused by among other things, lost census records or burned court-houses. This is must have information for researchers. I hope to see you all there.

Our September meeting is member-driven. I have openings for 3 members to take us through one of their research journeys. Presentations should be in PowerPoint and no longer than 12 minutes. First come, first served! Contact me: jerseymouse@comcast.net if you'd like share your story. Help is available with PowerPoint, if needed. Your research experiences can be valuable to other members.

Hello, Summer! Find those Ancestors!

President's Message

My tenure as President of the Olympia Genealogy Society will end at the close of the June 9th general membership meeting. I am humbled by the members' faith in my ability to direct this great organization for the past three years.

I have been most fortunate to have as my Vice-President, Peggy Cooley, without whose encouragement and guidance I may have floundered. I appreciate the assistance of Jim Haran and Judy Artley as Treasurer as well as Kathy Erlandson and Rebel Romero as Secretary.

I wish to thank the board members for their support and dedication. As I take on the new board member position of Past President, I will continue to assist whenever and wherever needed.

Eileen
