### We're Looking for a Few Good Leaders

OGS needs a few good leaders. Do you have the right stuff? Are you ready for a challenge? What's your excuse? Hey, there are 24 hours in a day!!!

As my last message as President, I wanted to impress upon everyone the importance of selecting your new leaders. Over the next few months, the **Nominating Committee** will need your help. ***WHO** do you think should lead OGS over the next year or two?*

To help you understand the duties of each position, the following summary is from our current By-Laws. NOTE: Each officer must be a current member of the Society. No past member as ringers.

#### PRESIDENT

- Shall preside at all meetings of the Society, the Board of Directors, and the Executive Committee;
- Appoint chairs of the various committees and other positions and coordinate the work of the officers and committees of the association;
- Be a member ex-officio of all committees except the nominating committee; and Perform the usual duties pertaining to the office of president and such other duties as may be prescribed in these bylaws or assigned by the organization.

#### VICE-PRESIDENT

- Serve as program chair to provide a speaker or speakers for each of the general meetings of the Society from September through June; and Assist the president in the performance of the president's duties and assume them in the president's absence or inability to serve;

#### SECRETARY

- Record the proceedings of the general meetings of the Society, the Board of Directors and the Executive Committee;
- Give notice of special meetings and conduct correspondence of the Society;
- Maintain the files including a current copy of these bylaws and other policies of the Society; and assume the duties of the president in the absence of both the president and the vice-president.

#### TREASURER

- Have custody of all funds of the Society, depositing all monies in the appropriate bank accounts approved by the Board of Directors;
- Keep a full and accurate account of receipts and expenditures; Make appropriate disbursements in a timely manner;
- Present a financial statement at every meeting of the Society and the Board of Directors, and at other times as requested by the Board;
- Prepare a budget to be approved by the Board of Directors prior to the September general membership meeting; and Submit the books annually for audit by an auditing committee selected by the Board of Directors at least one month following the June Board of Directors meeting at which officers assume their duties.

— Remember, volunteer societies all require a few good leaders. So go for it. —

In closing, good hunting, have a great summer and may your family tree ever be growing.

Best,  
Steven W. Morrison, President

Newsletter Editor Pat Harper at [rbh25@comcast.net](mailto:rbh25@comcast.net)

Marilyn Cannon sent in an interesting website that was highlighted on RootsWeb Review, 9 March 2005: <http://www.ipums.org/usa/voliii/tEnumInstr.html>. This site has the Federal census enumerator instructions for 1850-1920 which will make understanding the information on the census a bit easier by knowing the questions that were asked and how the responses were suppose to be recorded.

He retired in 1988.

An active man, Mr. Hannah enjoyed traveling, boating, camping, tennis, woodworking, flying and playing with his children and, especially his grandchildren. ### Richard Duane Davis

Richard Duane Davis died peacefully on January 12, 2005, surrounded by family and friends. Rich was born in Snoqualmie, WA on January 9, 1956, and grew up in Renton, WA. He enjoyed volunteering his entire life. At the age of 12 he volunteered for the Children's Orthopedic Hospital in Seattle. As a teenager, he helped found Camp I-VY, a summer camp for families affected by hemophilia and other bleeding disorders. Rich was a founding member of the Men's Advocacy Network of the National Hemophilia Foundation.

Rich made Thurston County his home for the last 23 years where he continued his community involvement. In the early 1990s Rich volunteered on Thurston County Health Department's HIV/AIDS advisory board and spoke in schools about his experiences. He spent several years as a member of the Statewide Facility Access Advisory Committee, helping to improve disability access across the state. An active member of the Olympia Genealogical Society, he served as president in 2001. Most recently, he was a volunteer participant in the Toastmasters Club at the Womens' Prison in Purdy, Washington.

In 2003 Rich retired from the State Department of Labor & Industries. Before working for the state, he served St. Michael Catholic Church as Liturgist from 1987-91.

Encountering an assortment of physical and medical obstacles during his life, Rich insisted on approaching them with hope, activism, and integrity. In addition to his community activities, he proved an inspiration to many with his passion for living. Rich relished the increased ease of mobility he experienced after two joint replacements and was hopeful about his liver transplant in the summer of 2004.

Rich is survived by his wife, Megan E. Davis; two daughters, Gwendolyn and Georgia Davis; brothers, David and James Davis; a sister, Dawn Salters; his parents A. Shannon Davis and Robert Davis; his grandmother, Addie Morford, and many nieces, nephews, and godchildren.

### **Janice Kay (Cummings) Smith**

Janice Kay (Cummings) Smith, 64, of Olympia, died February 16, 2005 at the University of Washington Medical Center in Seattle after a long hospitalization. Jan was born on May 24, 1940 In Iowa City, Iowa to Earl Wendt and Mariruth (Lewis) Cummings. She married Frank Lorraine Smith on June 27, 1964 in Fairfield, Iowa. She is survived by her husband of 40 years, Frank; sons, Damon Smith, of New York, New York and Corbin Smith; a daughter-in-law, Krista Ann (Myers) Smith; two grandchildren, Viola Smith and Jackson Smith, of Olympia; and a brother, James R. Cummings, of San Antonio, Texas.

Jan spent her early days in Fairfield, Iowa. She was a talented musician who sang and played the saxophone, piano, and organ before deciding on a career in teaching. She graduated from Fairfield High School, and continued her education at the Iowa State Teacher's College (now the University of Northern Iowa), where she was involved in music. She was president of her sorority, Kappa Theta Psi, before earning a Bachelor's degree in Business Education in 1962. That year, she accepted a teaching position at Olympia High School, and as a 22-year-old moved to the Pacific Northwest. During the following year, the managers of her apartment building introduced her to a young architect from Kansas who had also recently moved to town -- the matchmakers were Frank's aunt and uncle.

She lived for many years in southeast Olympia in the house designed and built for her by Frank. She was a devoted wife and mother who took great pride in her family. She loved to entertain and bring people together, especially during holidays. Frank and Jan became involved in many of their children's activities, and they spent countless hours together supporting various organizations throughout the community. They were a great team, and their love and camaraderie will be a constant source of inspiration to their children.

Jan was a gifted teacher, and formed strong relationships with her students. She took a special interest in those who were struggling, and made it her mission to help them succeed. Although she quit teaching full-time to raise her family, she did continue to teach bookkeeping at South Puget Sound Community College. She was a member of the Children's Hospital Guild Association, and served first as treasurer and vice president of the Thurston County chapter, and then as its president from 1983 to 1987. She was also a member of the United Methodist Church.

Jan's greatest passion may have been genealogy. She was a charter member of the Olympia Genealogical Society, and edited that society's "Quarterly" journal for 16 years, as well as serving as its president from 1985 to 1987 and as treasurer for many years. In 2004, she was honored as a Lifetime Member of the society. She was also a charter member and treasurer of the Washington State Genealogical Society, and chaired its first state conference in 1984. Both organizations were very important to her, and she made close friends in each. Research took her to libraries in Seattle and Salt Lake City and, most importantly, back to Iowa and the Midwest.

The end of Jan's life was a difficult struggle due, in part, to surgical complications. She met her final challenges with an incredible blend of optimism and humor that impressed her doctors and nurses. She was hospitalized in Seattle in November of 2003, and was never able to return to her home in west Olympia, where she loved to watch birds attracted to her deck, read stories to her granddaughter, look for clear views of Mt. Rainier, and laugh with Frank.

She made many friends among her caregivers at the University of Washington and at Kindred Hospital - Seattle. Even when in pain, her smile and quick sense of humor were able to lift the spirits of those around her. Jan will be greatly missed by her loving family and friends. She was buried at Masonic Memorial Park in Turnwater on February 21, 2005.

Memorial donations should be directed to the Olympia Genealogical Society, 1925 Arletta Place, Olympia, Washington, 98501; or to the University of Washington Medicine - Infectious Disease Research Fund, 1325 4th Avenue, Suite 2000, Seattle, Washington, 98101.

| CHECK OUT THE AREA YOU GREW UP IN | Walla Walla Valley Genealogical Society, Sep 2004. I always enjoy reading this publication because I grew up near Walla Walla. You might consider doing the same for the area you grew up. |

- GENOGRAMS** Sno Isle Genealogical Society, 4th quarter, 2004. Are you familiar with genograms? It is a different kind of genealogical chart showing relationships and medical histories. Then there is a wonderful ghost story involving the Snohomish Carnegie Library.
