EDITORIAL

It is obvious that this publication has been behind schedule and in an attempt to return to a timely publication, we are producing an annual issue for 1999. We were able to condense it by removing information about events that were past since our *Newsletter* did an excellent job of covering that.

This issue also marks a change in editorship as Jerri McCoy retires from this long-time responsibility. Please tell her "Thanks" for all her work. You have no idea how much time and effort she has put into this publication as she supervised the transition from typewriter to computer.

In preparing the survey of our 25 years I browsed all the quarterlies and the scrapbooks and it proved to be an emotional and memorable journey—one everyone should take. I was reminded over and over of past events and members who are no longer with us. As genealogists we are interested in our roots and as society members, we need to have the same background. Please, please make the effort to go through these compilations of our history.

This *Quarterly* is a link between the world of genealogy in Thurston County and the members and readers. It can be a great tool for both but it requires effort from everyone so submit articles, queries, and pedigree charts; volunteer to type or copy research at a library or courthouse; or offer assistance whenever needed. The first goal is to return to a schedule and then to get a wider involvement so we can maintain it.

A bit about me for the newcomers. I am retired from Timberland Regional Library where I worked for over 20 years as a reference librarian. I became involved with genealogy because I was asked questions so frequently and felt inadequate. Then I got hooked. I was involved in the organization of OGS and have learned much from the years past but the most valuable benefit has been the friendships I have formed. My four children are now grown so my husband and I have had time to travel in each of our 50 states and we now spend our winters in southern California.

I would appreciate hearing from all of you and receiving suggestions that will help to make this a better and more useful publication. Thanks for 25 years of wonderful memories.

Alma Greenwood, Editor

PRESIDENT'S MESSAGE

Happy 25th Birthday OGS!!

At our to June 1999 OGS meeting we will celebrate 25 years as a Society! My, how time flies... As an organization we have much to look back on and be proud of. We have changed over time, as any good organization does and should and we look forward to continued progress in the years ahead.

Through it all, however, we have maintained the Society's purpose which is--to promote the study, interest, and research of family and local histories and to encourage assistance, cooperation and guidance to members, friends, and the community".

Thanks to each and all of you for your part in our growth and development.

Ann Olson, President

Celebrating 25 Years

Some First & Memorable Events

1974 – The Beginnings

The Daily Olympian, Sunday, May 5, 1974 C3

IT COULDN'T HAPPEN IN OLYMPIA, where family backgrounds are impeccable. But it might be a good idea to put your mind at ease by attending the Genealogy Informational Workshop from 7 to 9 p.m. Friday in the Olympia Public Library. Presented by the Seattle Genealogical Society, the workshop conducted by Mrs. Glenn D. Preston and Mrs. C. E. Lind, is sponsored by the Friends of Olympia, Lacey and Tumwater Libraries. There's no charge. For information dial 357-5153.

Genealogy

Because 60 persons attended the workshop on genealogy held May 20, an area Genealogical Society has been formed. At an organizational meeting on May 22, the group agreed to begin collecting information on the early history of Olympia and surrounding areas, to share genealogical books and periodicals and to further research in this area by mutual cooperation and the sponsorship of workshops.

Named co-chairman were Tom Kenworthy and Don White. Ann Olson was selected secretary and Alma Greenwood will serve as treasurer.

The next meeting of the society is set for Thursday, June 13, in the Olympia Public Library at 7:30 p.m.

For information concerning the society, call Mrs. Greenwood at the Olympia Library. Dues are \$2 a year.

1975 – First Quarterly

Bea Kenworthy and Don White designed the cover for our first *Quarterly* which has also been used for this anniversary issue (and many others since). Up until the present there have been only three editors, two of whom have served for many years: Bea Kenworthy, Jan Smith (1975-1990), and Jerry McCoy (1990-1999).

PRESIDENT'S COLUMN

The Olympia Genealogical Society is off and running. Formed less than a year ago it has steadily increased in both size and

enthusiasm.

When the temporary officers met together for a meeting to draft the Society's Constitution and By-laws, one theme kept emerging in discussion and on paper: this Society will be for the benefit of all those who care to participate and join. It was the consensus that special interests and petty politics should not and shall not become a part of this Society. The new officers subscribe to that philosophy.

The real purpose of the Society, of course, is to further each member's quest for family historical information. This can best

be achieved through individual research, workshops, exchange of personal research information, and, most especially, by friend-helping-friend. It is my earnest hope the Olympia Genealogical Society will provide the proper assistance to each member and never lose sight of our primary goal: genealogical research. If we continue to grow and learn, I foresee a long and meaningful life for our "new" Society.

--- Don White

HISTORY OF THE OLYMPIA GENEALOGICAL SOCIETY

by Elizabeth Costigan, Historian

The beginning of the Olympia Genealogical Society can be traced to a program presented by Carol Lind and Ardelle Preston of Seattle on May 10, 1974 which was sponsored by the Friends of the Olympia Public Library. Since the response to this program was so great, a meeting to explore the possibility of establishing a local organization was held on May 22. It was decided to form an organization and temporary officers were selected. At this time it was agreed that the reason for "organization [was] to receive help from established genealogy groups in obtaining information and methods of recording materials; to gather and compile a genealogy library; to assist in collecting historic data on Olympia and the surrounding area; to sponsor workshops; and most importantly to share a mutual cooperation and passion in the study and researching of genealogy." After the Constitution and By-laws were written and adopted in October, a permanent slate of officers was chosen and December 31 was set as the date to close charter membership. By this time the Society had grown to sixty-seven members and much had happened.

Among the occurrences were two

open-houses in the home of B.J. Moe where the attendees had an opportunity to use her collection of materials and learn from her experience. Ann Olson had organized a file of materials which members have in their homes and will allow others to use. Jan Smith had types and filed a geographical file of member's research and a surname file. Alma Greenwood had set up files in the Olympia Library of catalogs of genealogical materials, periodicals and other useful materials. Monthly programs have featured discussions of census materials, methods of record keeping, how to make the best use of libraries, special help in various geographical locations and naming patterns. Finally, two workshops were presented by Arlene Eakle and Nancy Poolman of the Genealogical Institute of Salt Lake City.

Even though all of this has been done in less than a year the Society does not intend to rest on its accomplishments, but has many plans for the future with regard to research in the area, continued monthly programs, increasing the collection in the public library and other worthwhile genealogical projects. Hopefully, this is the first of many quarterly bulletins to be published.

1976

Dues for the Olympia Genealogical Society were increased as of October, 1976 meeting. Anyone paying dues after that date will pay \$5.00 for individual membership or \$7.00 for couple membership.

The first editor of the *Quarterly*, Bea Kenworthy, died and the Society set up the first Memorial Fund.

1977

Another "FAMOUS SUPER COLOSSAL RUMMAGE SALE" held on Tuesday ,

September 13.

In June the Society received their non-profit status from the IRS

1979 – 5 Years

Olympia Genealogical Society moves to the “new” Olympia Library in late 1978 and is now “in rather spacious new surroundings. Of special note is the location of the micro-film readers which are now in close proximity to the other genealogical materials. The new filing cabinets allow for ease in perusing the special collections of publications and exchange materials.” (1/79)

The Olympia Genealogical Society will conduct a one-day workshop for beginners in observance of our fifth anniversary. The workshop will be held in the Conference Room of the Olympia Public Library on Saturday 19 May 1979, 9 a.m. – 4 p.m. There will be no charge. All participants are asked to bring a brown bag lunch. The next issue proclaimed the workshop a success and listed thirteen members who were presenters.

A successful rummage sale was held to raise funds to purchase a typewriter!!!

1982

Plans to close the Olympia Library on Thursday evening were aborted so the Society was able to continue using it as a meeting place.

A series of van trips to the Seattle Library and the Federal Archives Branch were initiated for a charge of \$12.50.

OWLS service begun in the library on the 1st and 3rd Thursday afternoons. These volunteers were “to assist beginning members in

filling out pedigree charts and family group sheets; will acquaint all members in the use of the library; and will try to speak to individual problems.”

The Washington State Genealogical Society formed in Olympia with OGS hosting the meeting.

1983

The July *Quarterly* featured an article on a “Computer Program for Family Group Sheets Using an Apple II+.” A new era begins.

1984 – 10 Years

OGS member Jan Smith chaired the first Washington State Genealogical Society convention June 1-2 at the Washington State Historical Society Museum in Tacoma.

Excerpt from President’s Message of 4/84:
“We have many accomplishments—
assisting in establishing and building a very useful genealogy section in the Olympia Library replete with many exchanges, nearly ten years of producing our own quarterly, copying many Thurston County records and publishing our first volume, presenting numerous programs and many beginner workshops and classes, production of annual seminars featuring illustrious speakers, helping some individuals with their research and the formation of many friendships.”
(Alma Greenwood)

And from past presidents there were also congratulatory messages which detailed a bit more of the Society’s history and accomplishments: Ann Olson, Frank Moffett, Kathy Masini Fiser, and Don White. To understand our beginnings, everyone should take the time to read these.

1985

Dues were increased to \$10 per single membership, \$12 per couple. Binding of the periodicals in the genealogy section begun.

1986

OGS begins Centennial Project "to secure information on many of this county's early pioneers." The Society presented a workshop to 138 individuals interested in obtaining a pioneer certificate.

1987

Quarterly began using historical photographs on the cover, most of them courtesy of Roger Easton. He provided numerous photographs and stories over the next years.

OGS sponsored a very successful "Heritage Fair" on 2 May 1987 chaired by Russ and Gen Hupe. This event was intended to "share with society members and others the results of our genealogical research" by displaying family histories, family history notebooks, photographs, or heirlooms that you have arranged creatively.

A second well-attended workshop on completing the application for the WSGS Pioneer Certificate was held.

1988

The Society participated in Tumwater Independence Day celebration at which time they presented a Real Pioneer certificate (here before statehood) to local resident Retta Peterson.

Began a program of asking people who attended the monthly meeting to bring a 3x5 card with the name of a book that they like to see added to the library's collection. A card was then drawn and that book pur-

chased by OGS. First winner was Jean Laws.

Society operated a booth at Community Service Days at the Capital Mall.

1989 – 15 Years

OGS hosted the 6th annual Centennial WSGS Conference at the Tyee October 13-15, 1989. A number of our members helped make this a success.

1990

Olympia Genealogical Society's *Newsletter* begins publication under the editorship of Mary Beth Lang.

1991

A "Family History Fair" was held on May 11 featuring scrapbooks, notebooks, photographic displays, quilts or sewing projects, family histories, albums, etc.

NGS Conference, the first national genealogical conference in the Northwest, was attended by a number of our members in Portland.

OGS *Surname Index* containing 184,00 names was published in December.

1992

Card file project headed by Dick Jones completed. This file included the entire Olympia Timberland Library genealogical collection and contained detailed information on each book—some 1,327 records.

1994 – 20 Years

Dues increased to \$15 for individuals and \$18 for couples.

1995

Our 3-volume *Cemetery Records of Thurston County, Washington* published – more than 24,500 names from 21 cemeteries.

“The Intrepid Victorian Traveler” by Tames Alan was the program in May and featured five costume changes in describing the fashions and lifestyle of the Victorian woman of the 1850s and 1860s.

OGS combined with the LDS branch library to host an educational workshop entitled “Genealogical Smorgasbord” that was attended by 100 people.

1996

The January issue of the Newsletter was the first to include the computer column by Ed Swan.

Work begins on the indexing the 1910 Thurston census under the direction of Wayne and Mickey Hannah.

1997

The Index to the 1910 Federal Census of Thurston County, Washington becomes available.

E-mail addresses are beginning to appear for members

1999 – 25 Years

The June issue of the *Newsletter* commemorated our 25 years as a society and the June meeting honored these individuals who have contributed to our society over the years. They were presented certificates to recognize their efforts:

A Faulty Assumption

By Lois Wallace Fenske

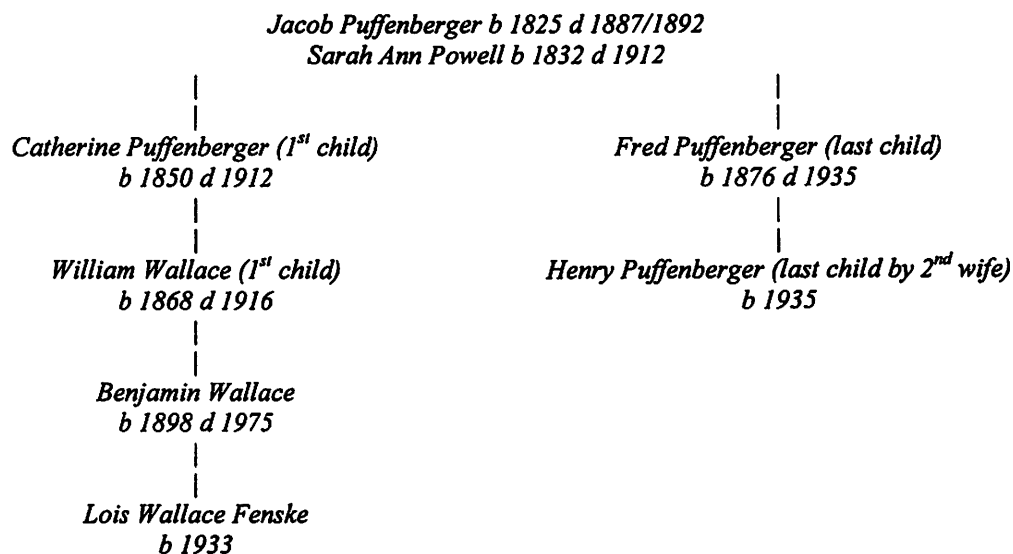

I always enjoyed researching my Puffenberger ancestors. My father, Benjamin Wallace, had known his grandmother, Catherine Puffenberger Wallace, when he was a small boy on the homestead in Stevens County, Washington. As I was growing up, I heard all about her with her red hair and the wonderful name "Puffenberger."

I used to think it was such a unique name that certainly no one else would be researching it. As it has turned out, I have corresponded with more Puffenbergers than any other surname, from a 70-year old "cinema actor" in Florida in the 1970s up to the present time, with people all over the country.

As a member of the Eaton County, Michigan Genealogy Society, I "met" Barbara Puffenberger, whose husband Henry and I are both descendants of Jacob and Sarah Ann (Powell) Puffenberger who came to Eaton County in the 1860s from Seneca County, Ohio. When Barbara first wrote to me, she said her husband was the grandson of Jacob and Sarah Ann. I wrote back asking did she mean her husband was the great great grandson of Jacob and Sarah. She assured me that he was the grandson. (I am the great great granddaughter of Jacob and Sarah, and yet I am two years older than her husband!)

As a general guide, it is assumed 25 years will exist between generations. It has reminded me not to assume anything.

The following shows these generations:

PEDIGREE CHARTS OF OGS MEMBERS

If you are an OGS member and would like to have your pedigree chart printed here, please send your pedigree information to the editor at the address indicated on the inside front cover. Even though you may not find shared lines within our society, this publication goes to many libraries and societies all over the United States so is read by many individuals besides our members.

ALLENDER

I would like to find anyone who knew a Charles ALLENDER, b abt 1884 d 30 Aug 1978, or Howard C ALLENDER, b 26 Jan 1930 d 15 Jun 1951. They may be related to my father, Morris Martin ALLENDER, born July 5, 1926 in Tillamook, Oregon. I am searching for his birth parents, who may have been the son or daughter or both, of Howard Monroe ALLENDER, from a previous marriage. My father's grandmother, Rose, raised my father from birth, in the Yamhill, and Klamath Falls Oregon area. I have a hunch, that since the only ALLENDERS I have been able to locate, in or around Oregon, appear to be in Washington state. I believe Howard M. ALLENDER may have been married there, prior to coming to Oregon. He was born in 1887 in Maine, and apparently came west sometime around 1907.

**BENES
BENESH
ZUNKE
DILLON**

I'm looking for confirming or additional information on the following: Vaclav BENES was born on February 22, 1873 in Sadska, Czechoslovakia. At some point he married Katherine (maiden name unknown). At some point he/they immigrated to the U.S. and had three children (E.E. "Mary/Marie", Joseph, and

William) in Illinois. They also had Anna Laura BENESH who was born November 2, 1900 in Friendship, Adams county, Wisconsin. At some point Vaclav BENES changed his name to James W. BENESH. According to the "Daily Olympian" newspaper of Tuesday, August 7, 1945, James BENESH died at the age of 72 while living at 916 South Cherry Street. He worked for the Northern Pacific Railway Company 1920-1935. At the time of his death, his daughter Marie had married a ZUNKE and was living in Napavine, his daughter Anna had married Otto S. DILLON (married Jan 1918, Otto died in 1935) and was living in Olympia, Joseph was living in Olympia, and William was living in Seattle. According to the *Morning Olympian* newspaper of August 26, 1938, James' wife Katherine died at age 74 while living at 916 Cherry St., Olympia (Katherine died Aug 23, 1935). The children were living at the same place as when James died except Anna was living in Stockton, CA with Otto S. DILLON. Any info on this or collateral lines would be appreciated.

**JONES
BISHOP**

I am looking for the ancestry of Gabriel JONES, who came to the Olympia area in 1844 with the Simmons party. It is believed that he was born in Henry Co. Virginia in about 1802. He married Keziah BISHOP on January 21, 1827 in Clay County Kentucky. They had three children, Morris, Elizabeth, and Rachel. Their donation land claim of 640 acres includes the land that is now part of the Olympia Airport and Trails End. Gabriel died in Winlock in 1885. He is sometimes confused with my great grandfather Gabriel L. JONES who homesteaded in Winlock in 1882. I believe that the Olympia Gabriel was my ggrandfather's uncle. That would make him a brother to my gggrandfather William JONES.

**HUGGINS
PULLEY**

I am looking for information about several of my grandmother's siblings whose parents were William F. HUGGINS and Sarah Ellen PULLEY HUGGINS. They were all born in Bucoda, Thurston Co, Washington (I think). Charles HUGGINS b Sep 1889, he may have also died in Washington state; Hale HUGGINS b Feb 1891; Lottie (or Charlotte) HUGGINS b 25 Sep 1893; Austin HUGGINS b Feb 1896; twin boys b and d Feb 1899. William F. HUGGINS and Sarah Ellen PULLEY HUGGINS came to Thurston County from Eastland, TX. William was a merchant and apparently had a company store at the coal mines owned by J. M. Buckley, Samuel Coulter, and John B. David. He may even have been the one to suggest the name of Bucoda for the mine. Any information will be greatly appreciated.

TACOMA IN 1890s NATURALIZATION

The Researcher, Tacoma-Pierce County Genealogical Society, Summer 1999, has an ongoing series "Window on Yesterday" by Mabel Bunge that describes life in Tacoma at the turn of the century. She wrote her memoirs when she was 90 and they offer a fascinating insight into life for an emigrant family. Also in this issue is a comprehensive article on naturalization which should be helpful to anyone looking for their ancestor's naturalization papers.

PROBLEM SOLVING IDEAS

The Apple Orchard, Chelan Valley (WA) Genealogical Society, July-August 1999 publishes members' success stories. What they did to solve their problems is helpful to other researchers. One article in this issue is on how to look for a family association with an out-of-print book and another on letting "Ma Bell" find long lost relatives.

STUDEBAKER FAMILY PUBLICATIONS

The Studebaker Family, April 1999, came to us from the Washington State Library and is filed in the family files in our filing cabinet. Be sure to check this source for family publications on many surnames—one of them may be yours and be a valuable tool for research.

BRICK WALLS CHEROKEE RESEARCH

A lengthy, very interesting article on "Breaking Through Brick Walls" by Beverly Blum appeared in the Summer 1999 issue of the *Bulletin* of the San Luis Obispo Genealogical Society. She gives many helpful hints on what to do and then gives examples of problems she has solved using these sources. You can't really claim you are unable to find an ancestor until you've tried some of these sources. There's also a good article on Cherokee research which will help prove that "Cherokee Grandmother" story you may have been told.

FISKE LIBRARY

The Fiske Genealogical Foundation *Newsletter* contains news about a Seattle

genealogy library you may not have used. The newsletter lists new holdings, how to get there, hours, etc.

- L A PUBLIC LIBRARY** If you are planning a visit to the Los Angeles area, consider taking time to research in the L.A. Public Library which has an extensive genealogy collection. The July 1999 *Searcher* (Southern California Genealogical Society) has a two-page summary of their holdings that you might want to copy and take with you.
- RESEARCH IN FT. WORTH, TX** If you have Ft. Worth ancestors, this is the place (*Footprints*, Fort Worth Genealogical Society, August 1999). Examples of articles: yesterday's news in Ft. Worth, California obits concerning Ft. Worth, stories of early pioneer Texans, Bible records, news from the Ft. Worth Public Library. More historical info can be found in the February 1999 issue as the city is celebrating its 150th anniversary.
- CALIFORNIA PHOTOGRAPHERS** A good way to identify old California photos may be to read the articles on photographers living or working in Chico (name, address, and years active) or photographers working in northern California in the Paradise Genealogical Society, Spring 1999, *Goldmine*.
- WISCONSIN NATURALIZATION RECORDS** Naturalization records county by county at the State Historical Society of Wisconsin (county, date formed, and area research center) are listed in the Fox Valley Genealogical Society's Fall 1999 issue.
- MOTHER'S WISDOM** The Pacific County Genealogical Society *Clan Digger* (September 1999) has a humorous article on "Things My Mother Taught Me": if you fall off that swing and break your neck, you can't go to the store with me; put your sweater on, don't you think I know when you are cold; when that lawn mower cuts off your toes, don't come running to me; and much more.
- NEW MEXICO HELP FIRST FAMILIES** The *New Mexico Genealogist* is a good source if your research is in New Mexico. The September 1999 issue has a list of books they have published and information on joining the First Families of New Mexico if your ancestors were in that state—they start in 1598!
- 1930 SOUNDEX** The Sequoia Genealogical Society (September 1999) says that the 1930 Soundex is done for Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Virginia and some counties in Kentucky and West Virginia. Something to look forward to (Release Date: 1 April 2002).
- SEATTLE PUBLIC LIBRARY** The Seattle Public Library will be getting a new building on the present site. It will be relocated from Summer 2000 to 2003 but the genealogy material will still be available during this time. (South King County Genealogical Society, September/October 1999)
- MN GENEALOGICAL SOCIETY LIBRARY** The Minnesota Genealogical Society's *Newsletter* (August 1999) describes their library, records available, their research policy, and what resources they will search.

- MAPS
DISASTER RECOVERY
MILITARY WEBSITES** The Federation of Genealogical Societies' *Forum* (Summer 1999) has articles describing the use of maps in genealogical research (solving difficult problems with maps, types of maps, and sources); how to recover from a disaster (water damage, smoke-filled, mildewed, etc.); and what can be found on military web sites.
- DRAFT REGISTRATION CARDS** The June 1999 issue of the *Genealogical Record* (Houston, TX) explains why you should use the World War I Draft Registration cards in your research. These have been filmed and can be ordered through the Family History Library. They are arranged alphabetically by state and county so are easy to use. Typical information is name, date and place of birth, occupation, nearest relative, physical description, and date and place of registration.
- EPIDEMICS** The list of epidemics in the United States from 1657 to 1918 (*Kern Genealogy*, Kern County, CA, March 1999) is helpful if you lost a family member or more especially several at once in a given year. Some of these epidemics were local and others nationwide or worldwide.
- FINDING "LOST" RELATIVES** The Heritage Quest *Genealogy Bulletin* (July-August 1999) has some good informative articles such as "Contacting Your Relatives Even if You Have to Have a Skip Tracer." Also lists latest material for sale.
- SNOHOMISH COUNTY GOLDMINE** For Snohomish County records you want *The Sounder* (Sno-Isle Genealogical Society, 3rd Quarter 1999) as this publication has a bunch. Some samples of typical inclusions are histories of Everett & Arlington, Snohomish County Marriages 1900-1910, city directories of many towns, military records, and researching in Washington.
- PRICKETTS
SW PENNSYLVANIA
INFORMATION** Articles in the July 1999 issue of the *Keyhole* (Genealogical Society of Southwest Pennsylvania) include ones on Prickett's Fort and the Prickett Family History, history of the Frederick Town post office, and obstetrics cases of Dr. W. W. Sprouls of Houstonville, PA 1884-1909.
- DO YOU HAVE AN OKLAHOMA ANCESTOR?** Did you know that many families had members who settled in Oklahoma? The Oklahoma Genealogical Society *Quarterly* is a good place to search. Volume 44, No. 3, 1999 has many good articles and records including the first territorial census of Oklahoma 1890 and Oklahoma county naturalization records—second papers. The latter records tell where the first papers were filed and where the person was born. Volume 44, No. 1, 1999 has a listing of naturalization records for the Territory.
- COMMON GENEALOGY TERMS IN OTHER LANGUAGES
MILITARY RECORDS
DOWER RIGHTS** A chart showing language equivalents for common words used in genealogy in English, French, German, Norwegian, Swedish, and Polish appears in the September 1999 issue of the *Dakota Homestead* (Bismarck-Mandan Historical and Genealogical Society). Military records in the National Archives that have not been microfilmed but are indexed is also in this issue as well as a discussion of dower rights.
- BENEFITS OF JOINING A FAMILY ASSOCIATION** A good article "Procrastination Stifles Progress" appears in the May-June 1999 issue of the *Apple Orchard* (Chelan, WA) wherein the author tells the benefits she received from joining a family association. Most of these groups

collect all kinds of info on a surname and publish it. I've had good luck on the few of them I've joined and maybe you will too. The *Genealogical Helper* has one issue a year listing associations including family ones. There are some good examples of these family publications in the bottom drawer of our vertical file.

BE WARY OF DATA ON THE INTERNET

The Skagit Valley Genealogical Society (April 1999) warns that we should all be concerned about the amount of unresearched information on the Internet. A real eye opener is an article called "A Few Notes Concerning Quality of Data." Read this before you accept fourteen generations of undocumented family data. The impact in the future may be alarming.

Standards for Sound Genealogical Research *Recommended by the National Genealogical Society*

Remembering always that they are engaged in a quest for truth, family history researchers consistently...

- Record the source for each item of information they collect
- Test every hypothesis or theory against credible evidence, and reject those that are not supported by the evidence.
- Seek original records or reproduced images of them when there is reasonable assurance they have not been altered, as the basis for their research conclusions.
- Use compilations, communications and published works, whether paper or electronic, primarily for their value as guides to locating the original records
- State something as a fact only when it is supported by convincing evidence, and identify the evidence when communicating the fact to others.
- Limit words like 'probable' or 'possible' any statement that is based on less than convincing evidence, and state the reasons for concluding that it is probable or possible.
- Avoid misleading other researchers by either intentionally or carelessly distributing or publishing inaccurate information.
- State carefully and honestly the results of their own research, and acknowledge all use of other researchers' work.
- Recognize the collegial nature of genealogical research by making their work available to others through publication, or by placing copies in appropriate libraries or repositories, and by welcoming critical comment.
- Consider with open minds new evidence or the comments of others on their work and the conclusions they have reached.

FORUM CIVIL WAR VETER- ANS' HEADSTONES SOCIETY MEMBER- SHIP PUBLISHING SOCIETY NEWS REVIEWS

The *Forum* (Federation of Genealogical Societies, Spring 1999) is a publication that belongs to you so take a look at it. Our Society belongs to the Federation and we receive their magazine which is put in the filing cabinet for you to use. It is full of articles on genealogy, what's happening in the genealogical world, and research guides. No actual records as the other quarterlies we receive but lots of good useful info. For instance, this issue contains an article on headstones of the Union veterans of the Civil War, Microfilm M1845, which is available to you at the Federal Archives branch in Seattle. Another good article is on the ABCs of what joining a genealogical society can do for you. Another is on publishing your family history, plain and simple. News on genealogical societies around the US, family associations, international activities, editing a newsletter, CDROM and book reviews, and much more. A source you need to use.

INTERNET HOW TO

Rhode Island Roots (March-June 1998) presents a basic but detailed article

on "Genealogy Research on the Internet—Where to Go and How to Get There." Starting with Cyndi's List and all the steps after as well as defining terms to give a great how to do it.

GREAT REGISTER OF VOTERS

Are you familiar with *California's Great Register of Voters*? They have been published for various years and are available listed alphabetically and by county. The Sequoia Genealogical Society *Newsletter* (March 1999) for Tulare County, CA lists some in Tulare County as an example but the same info is available in other counties. The 1869 *Register* gives name, age, nativity, occupation, residence, date, and year, if naturalized it gives the date and place of the court. I was also able to learn my great grandfather's middle name from this source.

ATTENDING GENE- ALOGY CONFER- ENCES

The Clark County Genealogical Society *Newsletter* (March 1999) has a good article on attending genealogical conferences. Whether you have attended many or none, this article is a must for getting the most out of a conference. It covers such items as why go, attending different sessions, taking notes, asking questions, and working the booths and the crowds. Much more.

ITEMS FROM THE ST. LOUIS, MO AREA

Think divorces are something new? The Spring 1999 issue of the St. Louis Genealogical Society's *Quarterly* has divorces reported in the *St. Louis Globe Democrat*, May 1880, and the article covers 4 pages! If you are doing St. Louis research, you may also be interested in death certificates of those interred in Park Hill Cemetery, St. Louis, Missouri 1892-1909.

JIM BRIDGER

The Seattle Genealogical Society *Bulletin* (Winter 1999) has a long and fascinating article on Jim Bridger, mountain man and guide, who is important in Northwest history.

BOSTON TEA PARTY MASSACHUSETTS SNOWSTORMS

Do you have Boston ancestors? Ever wonder if they took part in the Boston Tea Party? The American Elm (Western Massachusetts Genealogical Society, Fall 1999) may have the answer as it has a list of the participants but not all are known and some were not even from Boston. The issue also has an interesting article on killer snowstorms in New England.

NO SHAVING CREAM OR CHALK ON TOMBSTONES!!

WARNING: For tombstones that are difficult to read, the *Cornerstone Clues* (Greene County Genealogical Society, February 1999) cautions against using shaving cream or chalk on them because they have an acid base. Instead try talc or crushed Tums and then clean off with a soft brush and water.

POEM APPEARING IN SEVERAL SOURCES WITH VARIOUS TI- TLES AND ORIGINS

I saw a duck the other day.
It had the feet of my Aunt Faye.
Then it walked, was heading south,
It waddled like my Uncle Ralph.

And when it turned, I must propose,
It's bill was formed like Aunt Jane's
nose.
I thought "Oh, no! It's just my luck,

Someday I'll look just like a duck!"

I sobbed to Mom about my fears,
And she said "Honey, dry you tears.
You look like me, so walk with
ride.
Those folks are all from Daddy's
side.
