Saturday, December 28, 1996

Lorna R. Hutsell

Lorna Rae Hutsell, 54, a resident of Olympia, died of cancer Thursday, Dec. 19, 1996, in Puget Sound Healthcare Center, Olympia.

She was born April 11, 1942, to Lloyd and Ella (Rhodes) Cole in Colville. She grew up and attended schools in Colville, graduating from high school in 1960. She briefly attended business school in Spokane, then worked as a dental assistant for Dr. R.W. Hardwick in Corville.

She married Samuel E. Hutsell on Oct. 5, 1961, in Blount County, Tenn. He preceded her in death on Dec. 8, 1993. They resided in Alcoa, Tenn., from 1961-62; in Colville from 1962-65; in Newport from 1965-67; in Spokane in 1968; and in Olympia from 1968 until her death.

Mrs. Hutsell worked at Madison Elementary as an educational assistant from February 1987 until December 1996. She also tutored reading and taught calligraphy and related crafts.

She was a charter member of Olympia's calligraphy guild "Nib 'n' Inks." For several years, she belonged to the Olympia Genealogical Society.

She enjoyed letter arts and related crafts, particularly carving her own rubber stamps. She found pleasure in playing the piano, sewing, gardening, reading and travel. She found great pleasure in her relationships with her husband, sons and grandchild, and working with her students. She cared deeply for the faithful and loving friends she had throughout her life.

Mrs. Hutsell is survived by two sons, Bryan E., San Antonio, Texas, and Steven T., Colorado Springs, Colo.; her mother, Ella Rhodes, Colville; her stepmother, Valerie Cole, Colville; a brother, Douglas Cole, Vancouver; a sister, Marsha Harrington, Portland, Ore.; a grandson; numerous aunts, uncles, nieces, nephews as well as her husband's relatives in Tennessee.

At her request, no service was held.

The family suggests memorial donations be made to Madison Elementary P.T.O., Concern for Animals, or any charity benefiting children, animals or the environment.

Arrangements by American Burial & Cremation Services, Olympia.

We are saddened by the death of our former member, Lorna Hutsell, and we extend our sympathies to her family. Lorna joined the Olympia Genealogical Society in early 1976 before the Society was even two years old, and by September she began serving as Historian. The scrapbook contains examples of her calligraphy. She served as Historian for two years, and then became the Telephone Committee chair for a year. An item in the March 1979 Quarterly describes a successful 5th anniversary workshop, and among the presenters was Lorna. Her pedigree chart was published in the January 1978 Quarterly and included tilden ancestors back to the reign of Edward IV (1461-1483). Her calligraphy skills were utilized by the Society for meeting and workshop name tags. Genealogy took a back seat with her when she went back to work and then was suddenly widowed when in her 40s. Before that tragedy she also had her first cancer problems, which plagued her for so many years. Yet she continued to work until not too long before her death, and spent time tutoring as well. She was a sweet and very wonderful person. Memorials in Lorna's name may be sent to our society at the regular address. A book of genealogical interest will be placed in the library as our remembrance to her.

More than 24,500 names from 21 cemeteries are listed alphabetically in three soft cover, comb-bound volumes. Each listing includes the name, date of birth, date of death and any other information on the headstone. The information for all 21 cemeteries is presented in one alphabetical listing. This eliminates the need for an index and for researchers to review every cemetery when searching for an internment in Thurston County. Each volume includes a brief description and/or history of each cemetery.

EXCHANGE NOTES

By Myraleigh Farnsworth Peters

LEGAL AGE

In ancient times, the age of minority extended itself to 25 years. It came from an old Roman right acquired by the custom of Paris. As all the laws and customs of France were brought to Canada, this one was also brought and it lasted until the end of the 18th century. A law passed by the British Parliament in 1782, and made official on January 1, 1783, changed the age of majority from 25 to 21. This new law was immediately adopted in Canada. It was not changed in France until 1791. (JE ME SOUVIENS, American-French Genealogical Society of Pawtucket RI, via Western Mass. Genealogical Society THE AMERICAN ELM.)

RESEARCH: IT'S HARDER FOR MANY

Some researchers have a harder time of it than others, simply because of the ethnic heritage of their ancestors. Here is an estimate of how far back some ancestry can expect to go, genealogically speaking.

Native Americans, African Americans	150 years
Greek, Irish	200 years
English	300 years
Scots, Scandinavian, French, Italian	400 years
Germanic, Slavic	500 years
Swiss	600 years
Spanish	1,000 years

RICH IRISH BONANZA IN NEW YORK

Irish genealogists are eagerly awaiting access to the recently discovered trove of data in the Emigrant Savings Bank, which illuminates the first mass migration to America - the famine immigrants from Ireland. Transferred from the Bank to the NY Public Library's Manuscript Division were 58 volumes, including nine volumes of the Irish Emigrant Society's minutes from 1841-1933, and 11 "test books" which record personal details on about 170,000 depositors from 1850-1883. The test books are the richest source of Irish immigrant social history and genealogy on either side of the Atlantic. Details were recorded beyond those of any other primary source, such as townland and village origins, mother's maiden name, location of siblings, name of emigration ship, etc. Within a year it is expected that the documents will be available to the public in microfilm or computer format. (Numerous Irish Genealogy Publications, Fall 1995, and NEW YORK TIMES, 21 Sept 1995, via Eastside Genealogical Society, Bellevue WA.)

A SHOCKING OBFUSCATION!

The children of the head of a prominent Scottish-American family decided to give him a book of their family's history. The genealogist they hired was warned of one problem ... Uncle Angus, the "black sheep" who had gone to Sing Sing's electric chair for murder.

The genealogist promised to handle the situation with tact and diplomacy. "I'll just say that Uncle Angus occupied a chair of applied electronics at one of our nation's leading institutions. He was attached to his position by the strongest of ties. His death came as a true shock." (From THE HIGHLAND HERALD OF THE ST. ANDREWS SOCIETY OF COLORADO, Jan-Feb1996, via NEW YORK LOST AND FOUND, April 1996.)

COMING TO AMERICA!

HOW LONG DID THAT TRIP TAKE?

In 1824, 68 days from Rotterdam to Baltimore.

In 1832, 58 days from Bremen to Baltimore.

In 1834, 44 days from Bremen to Baltimore.

In 1843, 66 days from Bremen to New Orleans.

In 1854, 47 days from Le Havre France to New Orleans.

From 1867-1890, most sailing ships used auxiliary engines on days when there was little or no wind. However, many sailing ships remained in service and their fares were often lower than the faster steam ships. In 1893, a steamship made its trip from Ireland to New York in only 10 days. (Fox Valley Gen. Soc. GENEALOGICAL GEMS, Winter 1996, from THE BULLETIN.)

NON-NEW ENGLAND MATERIAL IN THE RIDER INDEX

The Rider Index - indexes some Pennsylvania Archives information. The American Genealogical-Biographical Index to American Genealogical, Biographical, and Local History Materials has now been updated through the volume that ends with the surname TYLER.

Often referred to as the Rider Index (after its editor, Fremont Rider) this index primarily covers common New England source material. Did you know, however, that it also indexes every name in the Second Series, Volumes 2 and 8, and the surname index to the Fifth Series (appearing in the Sixth Series, Volume 15) of the published Pennsylvania Archives? (Tacoma-Pierce Co Gen Soc THE RESEARCHER, Spring 1996.)

WHEN RESEARCHING IN ENGLAND

"Town"	Has a royal charter to hold markets

1930 CENSUS
ADVICE
ABOUT
THE CENSUS
MAN

From The Anoka Herald, Tuesday, January 14, 1930.

Don't lose your temper at the 1930 census taker if he seems more inquisitive than census men of the past. There are five new questions that he is required to ask of everybody. For the first time enumerators are to ask the value of the home, if owned, or the monthly rental, if rented. They are to ask, also, if there is a radio set within. Age at the time of the first marriage, whether actually employed, and whether a veteran of the armed forces of the United States and during what war, are other matters on which the Department of Commerce seeks enlightenment concerning each adult citizen and which it has decreed shall be learned through the census. Gainful workers are to be carefully classified this time and a special schedule for unemployment will permit separation of those not working into several classes. A great deal of useful information comes out of the census. Enumeration of the nation's population is only one item. So answer the census taker politely: ONE OF THESE DAYS YOU MAY WANT SOME OF THE FACTS HE IS HELPING TO ASSEMBLE. (Anoka County Minnesota Gen. Society NEWSLETTER, Jan/Feb 1996, via Fox Valley Gen Society GENEALOGICAL GEMS Winter 1996.)

GALIZIEN
GERMAN
DESCENDANTS

Evelyn Wolfer, President of the Galizien German Descendant organization, is working on indexing a number of church records from Galicia. The group has members from 30 U.S. states and 5 Canadian provinces and is in the process of compiling a complete name list and village index from these members. Ms. Wolfer indicates that she has a large library and is willing to make copies of articles for members. The library holdings on Germany will be increased. For membership information: Evelyn R. Wolfer, 12367 S. 214th Street, Kent WA, 98031-2215, 206-630-7864. Fax: 206-630-9543. EWolfer@aol.com

DID ANY
OF YOUR
ANCESTORS
COME VIA
BRITISH
COLUMBIA?

. . . you may find valuable information in the recently opened Victoria Genealogical Society Library. The focus of the library is British Columbia, but they have reams of information from around the world. The society was formed in 1978 and, until recently, their library was located in a small room . . . The Victoria Genealogical Society, PO Box 45031, Mayfair Postal Outlet, Victoria V8A 7G9, B.C. CANADA. The library is located at #25-17 Cadillac Ave. (corner of Cadillac Ave. and Carey Rd.) on the second floor of the blue and white bldg. Hours: Mon & Sat 9:30-11:30 a.m. and Thursday 1:00-3:00 p.m. The Chief Librarian, Sharon Bodard, may be contacted at 604-652-2563. (BULLETIN BOARD of the Eastside Gen. Society of Bellevue WA, June 1996.)

The Genealogist's Prayer

Lord, help me dig into the past
 and sift the sands of time
 That I might find the roots that made
 this family tree of mine.
 Lord, help me trace the ancient roads
 on which my fathers trod,
 And led them through so many lands
 to find our present sod.

Lord, help me find an ancient book
 or dusty manuscript
 That is safely hidden now away
 in some forgotten crypt;
 Lord, let it bridge the gap that haunts
 my soul when I can't find
 The missing link between some name
 that ends the same as mine.
