In Memory Of
FAY VINCENT HOLDEN
9 Aug 1913 - 9 Aug 1996

The Olympian
Sunday, August 11, 1996

Fay V. Holden

Fay Vincent Holden, 83, a resident of Olympia since 1955, died of Parkinson's disease Friday, Aug. 9, 1996, in Northwest Hospital, Seattle.

She was born Aug. 9, 1913, to Eber J. and Addie M. (Hillier) Vincent in Sunnyside, where she graduated from Sunnyside High School in 1930.

She graduated from Whitman College, Walla Walla, with a degree in microbiology in 1934.

In 1937, she married Donald P. Holden in Sunnyside.

Mrs. Holden was a medical technologist and worked in a blood bank during World War II. During the Korean War she taught microbiology for nurses at Yakima Valley College.

Mrs. Holden was active in the Olympic Methodist Church, Olympia Weavers Guild and American Association of University Women.

She was interested in genealogy and wrote an extensive genealogy of the Holden, Parker, Vincent and Hillier families.

Mrs. Holden is survived by her husband, Donald P.; a son, Parker V., Camas; a daughter, Priscilla Hagan,

Lake Oswego, Ore.; a stepmother, Elda Vincent, Sunnyside; her twin sister, May Ottman, Santa Barbara, Calif.; and seven grandchildren.

A memorial service will begin at 11 a.m. Tuesday, Aug. 13, in First Methodist Church, Olympia. Katherine Everett will officiate.

The family suggests that memorial donations be made to Nature Conservancy, Parkinson's Disease Association or a charity of choice.

Arrangements are by Olympic Funeral Home, Tumwater.

We are saddened by the death of our member, Fay Holden, and we extend our sympathies to her husband Don and her family. Memorials in Fay's name may be sent to our society at the regular address. A book of genealogical interest will be placed in the library as our remembrance to her.

The Olympia Genealogical Society
announces the publication of:

Cemetery Records of Thurston County, Washington

More than 24,500 names from 21 cemeteries are listed alphabetically in three soft cover, comb-bound volumes. Each listing includes the name, date of birth, date of death and any other information on the headstone. The information for all 21 cemeteries is presented in one alphabetical listing. This eliminates the need for an index and for researchers to review every cemetery when searching for an internment in Thurston County. Each volume includes a brief description and/or history of each cemetery.

CENSUS DATES TO REMEMBER

Enumerators were instructed to take the census "as of" the census date regardless of the visit date. Babies born after the date were not included, but deaths were. Although not all enumerators applied this rule., you should know and heed it when researching.

GLAD BAGS A "NO NO!" FOR GENEALOGICAL STORAGE

It has been noticed that several genealogical newsletters have published he old tip about using Glad Bags to store genealogical papers, etc. THE FAMILY TREE learned a year or so ago that this just isn't true.

The nice folks at Glad Bag called and wrote that Glad Bags are NOT Mylar and NOT archival. While the company is delighted with the prospect of a potential new use - they do not wish to mislead anyone. (THE FAMILY TREE, Oct/Nov 1995.)

LOW LIFE EXPECTANCY FOR EARLY AMERICANS

The commonly held notion of colonial American family life - that many generations lived together and shared farm and household chores - is far from the truth. Few people lived long enough to see their children grown, let alone their grandchildren. Data compiled in 1790 by Dr. Benjamin Rush, the prominent physician, indicates that of 100 people born in a given year in Philadelphia, more than one-third died before the age of 6 and only one-quarter lived beyond age 26. The life expectancy at birth for Americans was 34.5 years for females and 36.5 years for males when George Washington became President in 1789. (THE FAMILY TREE, from QUARTERLY BULLETIN of the Genealogical Society of Greater Miami.)

MISSING ISSUES SUPPLIED

A big thanks to Pat Kennedy of Medford OR. She supplied the two issues of The Rogue Digger we were missing for binding. She saw the notice about the missing issues in OUR Bulletin and was kind enough to fill our need.

**RECORD GROUP
M233
UNDER-USED
MILITARY
ENLISTMENT
RECORD**

Many, if not most, of the 81 rolls of film in Record Group M233 at the Northwest Branch of the National Archives in Seattle have been used rarely. Unless all of your ancestors immigrated in this century this is an oversight. M233 is a Register of Enlistments in the United States Army from 1798 to 1914. Records which predate the Mexican War are mixed, but the balance appears to be comparatively complete. There is provision in the roster for physical description, place and date of enlistment, age at enlistment, town and state of birth, and military assignments; but, all of this information may not be provided for each entry. Men who enlisted in state units, even if they were later reassigned to federal troops, do not appear to be included. (THE RESEARCHER of the Tacoma-Pierce County Genealogical Society.)

**MORE ON
SOUTHERNERS
WHO WENT VERY
FAR SOUTH**

Following the Civil War, some 20,000 Southerners, rather than live under Yankee rule, moved south. Very south - some 4,000 miles below the Mason-Dixon Line to Brazil. These expatriates, called Confederados, founded Vila Americana, which today has a population of about 200,000 and a coat of arms with the Confederate flag as its centerpiece. Descendants of these emigrants organized, in 1954, Fraternidade Descendencia Americana and now gather four times a year to celebrate in Confederate dress their American roots. (READERS DIGEST Oct 1995 from the CHRISTIAN SCIENCE MONITOR via Tacoma-Pierce County Gen Society THE RESEARCHER.)

**MORE ON
DATA ENTRY
TYPOS**

The Winter issue of the Tacoma Pierce County RESEARCHER carried an article on computerization of data entry typos. In searching lists one certainly can't anticipate every possible typo, but be aware of one error appearing in the IGI in which an "N" was typed where there should have been an "M." Both the main file and the 1994 Addendum carry a large number of Mc names - NcPhee, NcClure, NcVey, NcNamee and so forth. (RESEARCHER, Vol 27, Issue 3, Spring 1996.)

**MORE INDEX
ANOMALIES**

Sometimes searching indexes takes a goodly chunk of imagination. Incorrect vowels are the most common miscreants, but almost as common and often quite unexpected is the surprise appearance of an "H" or "R." Say the name to yourself and consider how it may have sounded when spoken by a person with an unfamiliar accent or by an immigrant. Think of where someone may have inserted an "H" or an "R", and your "Autry" may become "Hawtry." (MYRA GORMLEY, in presentation to Tacoma-Pierce Co. Gen Soc, via RESEARCHER, Spring 1996.)

**DECIPHERING
GRANDMA'S
RECIPES**

The February 1996 issue of FOOTPRINTS, the Quarterly of the Fort Worth TX Genealogical Society, has an article which could help you decipher the sometimes cryptic recipes, and instructions for same, from the days before recipe measurements became standardized. If you have great-grandma's recipe book take a look at this interesting article. (FORT WORTH STAR TELEGRAM via FOOTPRINTS.)

- NEW FILMS AT SEATTLE BRANCH OF THE NATIONAL ARCHIVES** Recently added (or very soon to be added) to the film inventory at the Pacific Northwest Branch of the National Archives is a large number of passenger list indexes. Included: Gulfport and Pascagoula MS 1904-1954, New Orleans 1853-1952, Philadelphia 1800-1906, Portland ME 1893-1954, Providence RI 1911-1954, San Francisco 1893-1934, and miscellaneous ports in Alabama, Florida, Georgia, and South Carolina, all 1890-1924. These are indexes only, not the full lists. The latter can be obtained on loan through LDS Family History Centers. Also ordered was the name index to Jews Whose German Nationality Was Annulled by the Nazi Regime, the Soundex Index to Canadian Border Entries 1895-1924, and the Index to Compiled Service Records of Volunteer Soldiers Who Served During the Philippines Insurrection (Spanish-American War.) (Seattle Gen Society BULLETIN, Winter 1996, via Tacoma-Pierce County REPORTER Spring 1996.)
- WHERE ARE YOUR CHURCH RECORDS? HAVE THEY BEEN MICROFILMED?** The First Presbyterian Church, Fon du Lac WI, was destroyed by fire on 2 Feb 1996. The congregation dates from 1855. It was unclear at the time of publication of the March 1996 issue of WINNEBAGOLAND ROOTS whether the congregation's records were in the church, or in the education hall which was also heavily damaged.
- The happy news in the June issue was that the records had been in a safe which had been removed when it became clear that the fire could not be halted. YES, they had been microfilmed. The WI State Historical Society offers filming of such records for a charge of \$75 for up to one roll of records. It's something to think about! (WINNEBAGOLAND ROOTS, Winnebagoland Gen Society Oshkosh WI.)
- BY ANY OTHER NAME?** When the "Scotch-Irish" first came to America they were simply called "Irish". When large numbers of Irish Roman Catholics began arriving in the United States after the potato famine, the term "Scotch-Irish" was coined to separate the earlier Protestant Irish from the new Roman Catholic arrivals. (THE FAMILY TREE from the THISTLE PRESS of the Scottish Society of Southwest Michigan.)
- MAIDEN NAME ON FUTURE CENSUSES?** It has been suggested that the Census Bureau be encouraged to include the maiden name of each married woman on future census records. You can express your opinion to Mr. Harry Scarr, Acting Director of the Census Bureau, Washington DC 20233. It is suggested that you might send copies of your letters to your Senators and Representatives. (FAMILY TREE, Dec. 1995-Jan 1996.)
- GENEALOGY SITES ON INTERNET** The Winter 1996 issue of the Tacoma-Pierce County RESEARCHER has a compilation of means to reach the Internet on your computer. (Ed. note: TPCGS's own Cyndi Howell's web page of genealogical sites is THE PLACE to start. Check it out at <http://www.oz.net/~cyndihow/sites.htm>)

1920 CENSUS
FAMILY MEMBERS
ABSENT FROM
HOME

In 1920, if family members were absent at the time of the census (Jan 1), such absent members were to be listed either with the family or on the last page of the schedule for that subdivision. Don't forget to check that last page. (National Trust Fund Board Publication via Tacoma-Pierce County THE RESEARCHER.)

EARLY
PHILADELPHIA
NATURALIZATION
RECORDS

The Philadelphia Archives possesses the naturalization records of seven of the ten courts indexed as part of the W.P.A. Index of Naturalization and republished as Philadelphia Naturalization Records (see Tacoma Public Library holding 929.3748/P53P.) The Archives will make photocopies of the records for a \$5 fee for each set of papers. Information included in the Declaration of Intent until 1828 was very detailed (if true, an exception to the rule!) often including place and date of birth and port and date of emigration and immigration. Write Philadelphia City Archives, 401 N. Broad St., Suite 942, Philadelphia PA 19108. (Genealogical Society of Sarasota, Inc., via Tacoma-Pierce County THE RESEARCHER)

THE IRISH
O'S ABOLISHED!

The Irish Genealogical Office has recently abolished the apostrophe after the "O" prefix in names such as O'Reilly. Apparently historically there is no reason it should have been there in the first place. An acute accent (´) called a fada is used in the Irish language to accent some vowel sounds. over a capital letter such as "O," there simply wasn't room to put the fada in typesetting, and it was often placed following the "O." Those unfamiliar with the Irish language mistook the fada for an apostrophe. Thus O Grady became O'Grady. (IRISH ROOTS #1, 1995, via NEWSLETTER OF THE BRUCE & GRAY BRANCH OF THE ONTARIO GENEALOGICAL SOCIETY, and via Tacoma-Pierce Co Gen Society THE RESEARCHER.)

TELLING IT THE
WAY IT WAS!

The following statement was made at the end of the enumeration of the Mountain Township, on the 1920 Census for McCurtain County, Oklahoma.
"Here ends the enumeration of District 148 comprising Ranges 25, 26 and all of 27 East, inside the Oklahoma boundary of Townships 3 and 4, south in McCurtain Co, OK, and believe me, with its mountains and valleys, its rivers, creeks and branches, it's some district, all right. I have been waterbound, and now I'm hidebound, but I have listed every galoot there is in it.
s/W A Carter, Enumerator, District 148, McCurtain County, Oklahoma"
(ANCESTORS WEST, Santa Barbara CA GEN SOC, via Tacoma-Pierce Co. THE REPORTER.)
