In Memory Of
LUCILLE BLANCHE SHEPERSKY STARK
21 Sep 1905 - 1 Oct 1994

The Olympian
Sunday, October 9, 1994

Lucille Blanche Shepersky Stark's valiant and courageous battle cancer ended October 1, 1994. Born to Paul G. Shepersky and Zella Helen Havens, September 21, 1905 in Waubay, South Dakota, The 5th of 8 children. In 1917, her parents sent her to live with relatives in Tacoma, Washington. After graduating from high school, she entered Nurses' Training at Tacoma General Hospital at the age of 17 and graduated with her R.N. in 1926. In 1929 she graduated with her certificate of Public Health from the University of Washington. She married Eugene Edward Stark on September 21, 1930.

One month after marriage, she and her husband were hired by Chelcop to work at the Copper Mine at Holden, Lake Chelan. Lucille was the first woman nurse and the only medical employee of the mine at that time. The doctor was 30 miles away. She and Gene resided there until July, 1931. In 1933 they moved to Olympia where Eugene was employed by the Department of Labor and Industries.

In the early 1950's, Lucille began working as a public health nurse for the Thurston-Mason Health Department where she was assistant supervisor and subsequently supervisor until her retirement in 1969.

Lucille has continually been active in the community. She actively participated in the Sacajawea chapter of DAR; she was involved in recording the early history of the Holden Mine; she held every office in the Local Nurses Association, including president; she was a tireless volunteer for the First United Methodist Church, was a leader in the Outreach Ministry of the Church and in 1990 was named "Volunteer of the Year".

She is survived by her immediate family: Daughters, Patricia Stark Hedges, Mountlake Terrace; Sally Stark Bozich, Bellevue; Suzanne Stark Rian, Seattle and one son, James William Stark, Brier. She leaves brothers Duane Shepersky of Huron, South Dakota; David Shepersky of San Diego, California and a sister, Lorraine Heaton Menefee Valley, California. She also leaves 14 grandchildren and 15 great grandchildren. Eugene preceded her in death in 1988. Memorial services will be September 22, 1994 at 3:00 p.m. at the First United Methodist Church, 1224 Legion Way, Olympia. The family requests remembrance to: The American Cancer Society, The First United Methodist Church of Olympia, or The San Diego Rescue Mission. P.O. Box 80427, San Diego, California 92138-0427.

We are saddened by the death of our member, Lucille Stark, and we extend our sympathies to her family. Memorials in Lucille's name may be sent to our society at the regular address.

EXCHANGE NOTES

By Myraleigh Farnsworth Peters

OOPS! WRONG TREE!

Ian Lewis spent 30 years tracing his roots, back to the 17th century, then got the shock of his life - he'd done his research on the wrong family! The amateur genealogist, from Standish England, had traveled all over his country, interviewing a mind-boggling 2,000 relatives before finally being informed by one that he was adopted! "It was 30 years of work for nothing," he declared. "I'll have to start again, but I'm determined to carry on." (THE NATIONAL ENQUIRER, 7 June 1994.)

TERRITORIAL PIONEERS DIE

Two women who were born in Washington State when it was still Washington Territory (before Nov. 11, 1889) died this year at ages 106 and 104.

MARTHA KLONINGER FORD, born in September 1888 at her parent's home in the Sunnyside area north of Washougal, Clark County, Washington (Terr.), died in January at the age of 106. Martha Ford was the child of German immigrants Gustav and Anna Kloninger, who homesteaded in the 1880s. Ford, who became a school teacher, lived at the family farm throughout her lifetime, except in periods when she was studying or traveling. She was a lifetime member and emeritus trustee of the Fort Vancouver Historical Society of Clark County. There are no direct line survivors.

INA DEMING died April 13, at age 104. She was the granddaughter of Andrew V. and Hulda (Tarbell) Young and William and Jane (Pugh) Morris. The Youngs came from Maine in 1854 and the Morris from Wales in 1864. Born October 16, 1889, to Horace H. and Jane (Morris) Young. Ina Young was born in her grandparents' home at Fourth and Spring in Seattle, now the site of the Rainier Club. She married Charles L. Deming in February 1913; he died in 1960. Her survivors include her daughter Dorothy Miner, granddaughter Marilyn Nik Peterson, and great granddaughter Marie Peterson. (PIONEER PRESENCES of the Pioneer Association of the State of Washington, May/June 1994)

THE "LOST STATE"

Between 1784 and 1788 some records show citizens from the state of Franklin, not Tennessee. It was about to become our fourteenth state but approval by the U.S. Congress was denied by one vote. Broken away from North Carolina, it had a governor, legislature and a court system. In 1789 North Carolina ceded its western lands to the United States, and in 1796 Tennessee became the sixteenth state, and included the Franklin territory that is now fourteen counties in northeast Tennessee. (THE FAMILY TREE, from Lake Havasu Gen Soc, AZ)

**MISSOURI MASS
GRAVE - DUE TO
1993 FLOODING**

Workers dug a mass grave in Hardin MO to hold the remains of 450 bodies that were washed away from the Hardin Cemetery by the summer 1993 flooding. The grave is at a new Hardin Cemetery about 60 miles from Kansas City. It is located on higher ground to avoid a repeat of such an occurrence. (FAMILY TREE, from Wisconsin State Old Cemetery Society INSCRIPTIONS.)

**KEEPING THEM
FROM GETTING
LOST AGAIN**

For an unmarked grave, the installation of a small, flat, granite headstone, of from 50-60 pounds, can be very easy. Just buy one 90 lb bag of Sakrete, dig a hole about 6" deep exactly the size of the Sakrete bag, and place the bag in the hole. Cut out the top of the bag. Lay the headstone exactly on top of the exposed Sakrete, and Mother Nature will do the rest. The rain and natural dampness will solidify the Sakrete and the new headstone will have a good solid foundation. (Richard Andre, Genealogical Society of South Brevard FL, via Kanawa Valley WV Genealogical Society JOURNAL, Spring 1992.) Ed. note: Be sure to get permission first, and check on the amount of "rain and natural dampness" expected in your area.

**TREETOPPERS
FROM ODUM
LIBRARY FAMILY
TREE FOR
GENEALOGISTS**

To hunt something is sometimes more exciting than finding it!
Writing things down is the secret of a good memory.
A mistake is easier to make than unmake.
Itching for something you want doesn't do much good; you've got to scratch for it!
Thrift is a wonderful virtue - especially in ancestors.
To forget one's ancestors is to be a brook without a source, a tree without a root. (A Chinese proverb.)
The true art of memory is the art of attention!

**QUEBEC
FAMILY HISTORY
SOCIETY**

The Quebec Family History Society, founded in 1978, held the first English Language Genealogy Conference in Quebec in the summer of 1992. CONNECTIONS is a small English language booklet of about 36 pages with a query section. \$2.00 per query for non members. Send money order or check, payable to the Quebec Family History Society, to Mrs. Ruth Anderson, Queries Editor, 5175 Penini St., St. Hubert, Quebec J3Y1T8. (THE BULLETIN, The Genealogical Society of South Brevard FL, Winter/Feb 1994.)

**A RICH SOURCE
OF PICTURES**

Have you been searching for pictures of ancestral homes or business buildings to add to your family album or to enhance your written family history? There is a rich source of such pictures in a special collection in the Library of Congress' Prints and Photographs Reading Room that might have what you're looking for. Read about this in the Winter/February 1994 issue of THE BULLETIN of the Gen Soc of South Brevard, Melbourne FL.)

- METHODIST RECORDS ARCHIVES** If your ancestor was a Methodist, the United Methodist Archives for the entire United States is at Drew University, PO Box 127, Madison NJ 07940. Enclose SASE. (FAMILY TREE of the Odum Library)
- LOOKING FOR ILLINOIS OBITUARY?** The State of Illinois Historical Library will look up and copy obituaries for 25 cents each. Send deceased person's name, date of death, county lived and/or buried in. Enclose SASE. Send to: ILLINOIS STATE HISTORICAL LIBRARY, Old Capitol, Springfield IL 62706. (ANCESTORS UNLIMITED, Southwest Nebraska Genealogical Society from Bismark-Mandan Historical and Genealogical Society, ND.)
- LOS ANGELES COUNTY DEATH RECORDS MOVED TO NORWALK** Los Angeles County death records have been moved from downtown to Norwalk CA; these were copied at the Hall of Records, now located on Imperial Blvd. near the Norwalk City Hall and courthouse. This is off of the Santa Ana Freeway and there is ample free parking.
- Vital records are located in the basement, where indexes for marriages, deaths and births (early) are shelved . . . You can stay as long as you like during regular hours. Death records for the City of Los Angeles are recorded separately and begin with 1887. (Peggy Schultz, Southern California Gen Soc SEARCHER, April 1994.)
- NOTE:** The author notes that these are on microfilm but that the microfilm copies are very poor - dark & almost illegible.)
- ANCIENT TIMES** When they called a cigarette a coffin nail and people laughed. (PRAIRIE PIONEER, Warren Co IL. Jan-Mar 1994)
- CALIFORNIA INFORMATION FILE (CIF)** This is a card file created by the librarians at the California State Library, Sacramento. It is an index to the names appearing in nearly all of the 19th and 20th century California county histories, and in a great many of the California newspapers, magazines, biographical books and manuscripts. It also indexes many of those who came to California during the Gold Rush and were mentioned in biographical works in their home state . . . there are more than 1.4 million index entries on this CIF microfiche in the Carlsbad City Library Genealogy-Local History Collection. (Hemet-San Jacinto VALLEY GENEALOGIST, Vol 14 No. 4.)
- CIVIL WAR DRAFT / REJECT RECORDS** Medical Records of men drafted or rejected for the Union Army are available in the National Archives under group records #110, "Medical Record of Examinations." These records are arranged by Congressional Districts as of 1863. Data include residence, age, occupation, place of birth, and physical characteristics. If a man was rejected, reasons are given under "Remarks." (Tacoma-Pierce County RESEARCHER, Spring 1994, from So IL Gen Soc SAGA and BLUEGRASS ROOTS.)

- TOMBSTONES - SHAVING CREAM A NO-NO!** Do not use shaving cream on tombstone inscriptions, as some sources have advised, to make inscriptions easier to read! The chemicals in the shaving cream are very harmful and eat away at the soft old stones. **DON'T DO IT!** (Fox Valley Genealogical Society **GENEALOGICAL GEMS**, Appleton WI, from Bay Area Genealogical Society.)
- ODDS AND ENDS** Four of Abraham Lincoln's brothers-in-law fought for the Confederacy. (**FAMILY TREE** of the Odum Library.)
- HANDY AND SAFE STORAGE** You can use Glad Bags to store your genealogical papers! They are made of Mylar which is archivally safe. (**FAMILY TREE**, from Foothills Genealogical Society and West Virginia **APPALACHIAN NOTES**.)
- BLATANT SEXISM!** The 1907 law that automatically denied a woman her citizenship if she married an immigrant was repealed in 1922. During the interim, from 1907-1922, private bills had to be (and were) passed to obviate this law. (**FAMILY TREE** from the Charlotte Co Genealogical Society)
