ELDERLY IN IOWA

The Iowa Gen Soc has acquired the Old Age Assistance records for 56 Iowa counties. These records, compiled during the 1930s, list the name of Iowans 21-65 years of age subject to a tax to help care for Iowa's elderly. For each person listed their parents' names and mother's maiden name are given. The Gen Soc's mailing address is: PO Box 7735, Des Moines IA 50322. (Iowa Gen Soc NEWSLETTER, Dec 1992, via the Minnesota Gen Soc MINNESOTA GENEALOGIST, March 1993.)

ILLINOIS RESEARCH WARNING

Here's a warning for all genealogists who wish to research in Illinois county courthouses: Page 110 of the Illinois State Gen Soc Quarterly, Vol 24 #2 states that "to do genealogical research in Illinois it is required that you have membership in an Illinois genealogical society." Don't forget to take along your various genealogical society membership cards when you travel to do research, as some other states have that same restriction. (Tacoma-Pierce Co THE RESEARCHER, Spring 1993.)

- EXPANDING BRITISH COLLECTION!** See the FORUM, of the Federation of Gen Socs, for a three-article series on this subject by Dean J. Hunter of the FHL in Salt Lake City. (Spring 1993 for his second article) (THE RESEARCHER, as above.)
- IOWA COUNTIES WITH TWO COURTHOUSES** Two Iowa counties have two courthouses: Pottawattamie and Lee. If you are searching in Pottawattamie Co., search both the Council Bluffs and Avoca courthouses. The Avoca courthouse has the records for the eastern half of the county. The Lee Co. courthouses are located in Keokuk and Fort Madison. They may have duplicate information, but it is still a good idea to search both. (From Northwest Iowa Gen Soc, via So King Co NEWSLETTER, Jan 1993)
- NEW CZECH SURNAME INDEX** The Czechoslovak Gen Soc International, PO Box 16225, St. Paul MN 55116 has recently published CZECHO-SLOVAK SURNAME INDEX, COL 3, which gives over 1700 entries giving place of family origin in Czechoslovakia and U.S. or Canadian location. Cost is \$5.00 plus \$1.50 P&H. (From Chicago Gen Soc Newsletter, Jan 93, via THE FORUM INSIDER of the Gen Forum of Oregon, Newsletter, April 1993)
- WHAT HAPPENS TO MY RESEARCH WHEN I'M GONE?** The article "What Happens to My Research?" appeared in the NGS Newsletter, Vol 17, No 5 (1991) and was reprinted with permission in the Paradise Gen Soc, Paradise CA, GENEALOGICAL GOLDMINE of Spring 1993.
- PROCESSIONING. WHAT WAS IT?** Have you come across the term "proceessioning" in your research? The Lake Elsinore Gen Soc of Lake Elsinore CA gives a definition of this term. Processioning was a procedure organized and governed by the Church Vestry in which men were appointed to walk specified boundary lines of the neighbors' property. Boundaries in the 17th and 18th centuries were marked with perishable items such as a tree, a stake, a pile of rocks, etc., which necessitated frequent remarking. Processioning was done once a year in an attempt to settle any boundary disputes between neighbors before the disputes became serious and were taken to court. It was often the occasion for a neighborhood party when the neighbors gathered, remarked their lines as necessary and spent the rest of the day and evening visiting, eating and drinking! (GENEALOGICAL GOLDMINE of the Paradise (CA) Gen Soc, Spring 1993)
- BABY RAFFLE!!!** The San Francisco Examiner of November 19, 1911 stated "Kentucky Raffles a Baby." The article read: Henderson KY, Nov 18; Only persons under twenty-one years old will be barred from chances on a chubby blue-eyed baby of unannounced gender that is to be raffled at a local theatre on Monday night. Signs announcing the contest have been tacked up on telephone poles inside a twenty-five-mile radius. The baby has been obtained from an orphanage in Louisville, and the holder of the lucky ticket of admission is to be declared foster parent on the spot. (GENEALOGICAL GOLDMINE, as above)
- COLLECTIONS IN DANGER?** "Are Genealogy Collections in Danger?" A library horror story. (FAMILY BACKTRACKING, Puget Sound Gen Soc, Vol XVIII, No 2, June 1993, excerpted from a note which appeared on Prodigy on 7 Oct 1992 from A. Allen.) There is another article about this in the Jan/Feb 1993 issue of HERITAGE QUEST.

- SALT LAKE CITY RESEARCH HELPER** Going To Salt Lake To Do Family History Research, Revised and Expanded, by J. Carlyle Parker. Reviewed, enthusiastically, in the Oregon Gen Soc QUARTERLY, Lane Co, Spring 1993)
- OREGON EARLY SETTLERS CERTIFICATE** The Oregon Gen Soc announces that an "Early Settlers Certificate" will be issued to anyone showing a direct line of descent from a person living in Oregon after October 1872 and before Dec 31, 1900. (For details see the Spring 1993 Oregon Gen Soc QUARTERLY)
- LAND RECORDS AUTOMATED** The U.S. Bureau of Land Management has begun automation of 9 million General Land Office records dating from 1788. These records are now in the Eastern State Office in Alexandria VA and pertain only to public lands in Alabama, Arkansas, Florida, Illinois, Iowa, Louisiana, Mississippi, Minnesota, Michigan, Missouri, Ohio and Wisconsin. The project is scheduled for completion in 1993. Send all queries to the Eastern States Office, Bureau of Land Management, U.S. Dept of the Interior, Alexandria VA 22304. (So King Co NEWSLETTER, Vol 8, No 6, May 1993, PIPOST of St. Croix Co, Dec 1992 via M-J-J NEWSLETTER, Feb 1993)
- SCOTTISH RURAL CLASSES** Five different rural classes in Scotland at the beginning of the 17th century can often be found in parish registers in birth entries: tenant farmer, bower, crofter, cotter or cottar, and dry cottar. (For descriptions see the So King Co NEWSLETTER, from Tacoma-Pierce Co Gen Soc RESEARCHER, Winter 1993.)
- DEATH RECORD SEARCH HELP** An easily accessible resource that may help some genealogists is the National Yellow Book of Funeral Directors, published annually by Nomis Publications, Youngstown OH. Arranged alphabetically by state and city, it includes county name(s), population, funeral home(s) and phone numbers. A code letter indicates the daily newspaper where one might find obituaries. At the beginning of each state section the address and phone number is given where certified (death?) may be obtained, along with the fee charged. There is a complete Canadian section and a limited foreign section. The 19th edition (1992), with a circulation of 22,000, is available in almost every U.S. funeral home. (THE MARIN KIN TRACER, Summer 1993, Marin Co Gen Soc, from La Crosse Area Gen Soc NEWSLETTER, Jan 1993, p. 11.)
- POLISH GENEALOGY** Polish immigration and Polish-American genealogical resources are discussed in an article by E.R. Brandt. He states that, as there was no country by the name of Poland during the last century before WWI, the period of heaviest immigration to the U.S. from all of Europe, he begins his article by explaining what we mean by "Poland", "Polishness" and "Polish-American genealogy." The concentration is on ethnic Poles with little (but some) on the ethnic Germans who lived among them. (MINNESOTA GENEALOGIST, as above.)
- WENDING ONE'S WAY THROUGH METHODISM** The history and the records are outlined of the denomination and a few related bodies, some of which are: United Methodist Church, Methodist Episcopal Church, Methodist Protestant Church, Free Methodist Church, Wesleyan Methodist Church, Pilgrim Holiness Church, Evangelical United Brethren Church, etc., etc. (MINNESOTA GENEALOGIST of the Minnesota Gen Soc, Jun 1993, p 52.)

VOL. XIX, NO. 3, JULY 1993

CALIFORNIA VITAL
RECORDS

The fee for Birth and Marriage records has increased to \$12.00 each. Death certificates are still \$8.00. (MARIN KIN TRACER, Winter 1993, via FORUM, May 1993.)

WHY DIDN'T HE
HAVE A MIDDLE
NAME?

Middle names were once illegal. The old English law was definite as to the naming of children and, according to (Sir Edward) Coke's law commentary, "a man cannot have two names of baptism; and on bills of sale that purchaser be his surname." Royal personages were always allowed to have more than one name, but as late as 1600, it was said that there were only four persons in all England who had two given names. In 1620, when the Mayflower sailed for America, not a man or woman aboard had a middle name. (THE MARIN KIN TRACER, Summer 1993, Marin Co Gen Soc, from La Crosse Area Gen Soc NEWS-LETTER, Sept 1992, p 6.)

CIVIL WAR
COMPUTERIZED
DIRECTORY OF
SERVICE

Was your Great-Great-Grandfather a Yankee or a Confederate? By 1995, 28 Civil War sites operated by the National Park Service will unveil the Civil War Soldiers System, a computerized directory of the 3.5 million Blues and Grays who fought in the Civil War. The Federation of Genealogical Societies is taking on the daunting task of entering over 3 million names and other information into the computer by hand. The information was handwritten on literally millions of index cards by Army clerks during the 1880s. When the registry is programmed, family historians will be able to locate an ancestor's name and cross-reference it with the 7000 regiments that participated in 10,500 military engagements, skirmishes and battles. (News item from FAMILY CIRCLE MAGAZINE, 1992, via THE BULLETIN of the San Luis Obispo Co Gen Soc, Summer 1993.)

HE DID WHAT?

Abraham Lincoln became America's greatest Precedent. Lincoln's mother died in infancy, and he was born in a log cabin which he built with his own hands. When Lincoln was President he wore only a tall silk hat. He said, "in onion there is strength." This is only a sample of what was written by school students at St. Paul's School, as compiled by Richard Lederer. (BULLETIN of the San Luis Obispo Co Gen Soc, Summer 1993.) (It also states that one of the causes of the Rev. War was that the British put tacks in their tea, and that the Pilgrims crossed the ocean, and that was called the Pilgrim's Progress! Check out this article for additional "howlers!")

SEATTLE
GENEALOGICAL
SOCIETY MOVES

The Seattle Genealogical Society has lost its lease and will be/has been moving. A search/relocation committee was in the process of winnowing possibilities, and we hope they were able to find satisfactory quarters. (S.G.S. Special Newsletter, July 1993.)
