SURNAME INDEX PUBLISHED!

The first copies of the new Olympia Genealogical Society Surname Index book were available at the December monthly meeting. The Surname Index contains more than 18,400 names of the ancestors of over 150 OGS members. The objective of the publication is to help individual members find others in the society working on the same family lines, and also to provide contacts for other genealogists nationwide. It is the result of a project undertaken by the OGS Computer Interest Group, with Chairman Jerri McCoy acting as the editor.

During the last year and a half, several members of the CIG have transcribed pedigree charts, ahnentafel charts, notes, and computerized genealogies into their computers. The pertinent facts (birth, marriage, and death along with the name of the state or country) as submitted, are included in the book, along with a code to identify the contributor.

Copies of the OGS Surname Index book can be purchased from Kathy Houser or Letty Schoch (at the Society's address) for \$23.78 (\$22.00 plus \$1.78 sales tax). Add an additional \$1.70 if you would like to have yours mailed.

In Memory Of
WALTER E. REID
24 Aug 1909 - 27 Dec 1991

Walter E. Reid

Walter Edward "Wally" Reid, 82, a resident of Littlerock for 22 years, died Friday, Dec. 27, 1991, in St. Peter Hospital, Olympia.

He was born Aug. 24, 1909, to Walter William and Lillian (Sickles) Reid, in Newark, N.J.

Mr. Reid attended Eatonville High School and lived in Eatonville for 20 years. He lived in Tacoma for 39 years and was married there to Mavis T. Belfair on Aug. 26, 1939.

Mr. Reid worked for Washington Cleaners for 42 years and was its manager when he retired in 1969.

He worked with the Boy Scouts of America from 1948-1991, serving as Cubmaster, Scoutmaster, Explorer Advisor and Unit Commissioner. He was president of the Rainier Council Square Dance Association in Tacoma from 1963-

1964, president of Arlington Improvement Club in Tacoma from 1940-1949 and a member of Masonic Lodge No. 91 in Tacoma.

Mr. Reid enjoyed studying genealogy.

Surviving Mr. Reid, besides his wife of the family home, are a son, Walter E. Jr., Tacoma; a daughter, Vicki Marla Taylor, Tenino; a brother, Robert, Puyallup; two sisters, Lillian Ashcroft, Lincoln City, Ore., and Dorothy Hanegard, Westfir, Ore.; also four grandchildren.

A graveside service for Mr. Reid will begin at 2 p.m. Tuesday, Dec. 31, in Olympic Memorial Gardens, Tumwater. The Rev. Ben Harding of United Churches will officiate.

The family suggests memorial donations may be made to Boy Scout Troop No. 13, 1455 Old Military Road, Tenino, 98589.

Arrangements are by Olympic Memorial Funeral Home, Tumwater.

We are saddened by the death of one of our long-time members, Walter Reid, and we extend our sympathies to Mavis and the family. Although Walter hasn't been active in the Society for a few years, he is fondly remembered by many of the members. Memorials in Walter's name may be sent to our society at the regular address.

The National Archives has announced that the 1920 Census will be opened to researchers on March 2, 1992. It will be available that day at all the regional archives, including Seattle, and through the Archives microfilm sales and rental programs.

The 1920 census consists of 2,076 rolls of population schedules and 8,585 rolls of Soundex. The data in the schedules include address, name, relationship to family head, sex, race, age, marital status, year of immigration and naturalization, school attendance, literacy, birthplace of person and parents, mother tongue of foreign-born, ability to speak English, occupation, industry and class of worker, and home ownership information. Unlike the 1910 schedules, those for every state and territory in the 1920 census are Soundexed.

Advance rental orders will be accepted starting January 2 and will be filled beginning March 2. Microfilmed copies will be sold for \$23 per roll starting March 2. The 1920 Census catalog is already available from the Archives, and a copy is in the vertical file of the Genealogy section at the Olympia Timberland Library.

Special March 2, 1992 activities and 1920 census workshops are planned at all the regional archives. For more information, contact our regional branch in Seattle at (206) 526-6507.

NEW BOOKS IN THE LIBRARY

HANDY BOOK FOR GENEALOGISTS United State of America. Eighth Ed. Pub. by Everton Publishers, 1991. This brand new edition of the Handy Book is now on our genealogy shelves. There are some changes and updates from the last edition, so if you don't have your own, come in and take a look. The format for the state information is much the same, but some new items are in the back. A section on migration trails should be of interest as well as a county index, and a section for all the maps together instead of with the state information.

1920 FEDERAL POPULATION CENSUS CATALOG OF NATIONAL ARCHIVES MICROFILM. This will be housed in the vertical file under CENSUS. Time to get ready for the 1920 census, which will be available at the Archives in March 1992. You can use this to figure out which rolls you will need to use, and save time at the archives.

USEFUL BOOKS NOT IN THE GENEALOGY SECTION

973.303 Greene, Jack P. editor, **THE BLACKWELL ENCYCLOPEDIA OF THE AMERICAN REVOLUTION.** Blackwell, 1991. There is a checkout and a reference copy of this book available in the library. Besides having just about everything you might want to know about the Revolution, there is a section in the back of short biographies of anyone prominent in the Revolution. Further reading is listed at the end of each sketch, so if you have someone important enough, you may gain some useful information.

EXCHANGE NOTES

by Bob Lieding

- PHILOSOPHY** "The man who feels no sentiment for the memory of his forefathers, who has no regard for his ancestors or kindred, is himself unworthy of kindred or remembrance." Daniel Webster. (THE BULLETIN, Aug, 1991, G.S. of South Brevard, Melbourne, FL)

- NEW CIVIL WAR COMPUTER DIRECTORY**
(For Genealogy as well as History enthusiasts)
The Nat'l Park Svc has begun a computerized directory of all 3.5 million Civil War soldiers. Historians estimate that at least half of all Americans have relatives who fought. The computers are expected to provide name, home state, regiment and rank. Computers are to be installed at all 28 Civil War sites operated by the Nat'l. Park Svc. Computers will also list where soldiers are buried in the 11 Civil War cemeteries. (NEWS 'N' NOTES issue cited above, reprinting item from Cleveland P.D., Jul 1991)

- AN APPROPRIATE THOUGHT** "We keep forgetting those who lived before -- those who lived, and worked and prayed, and died so long before we were born. We commit the sin of assuming everything begins with us. We drink from wells we did not dig. We eat from farmlands we did not develop. We worship in churches we did not organize nor build. We enjoy freedoms we have not earned. We should be grateful for our heritage and turn our minds in grateful appreciation to those who lived in another day, and under vastly different circumstances so that we can live a better day today."
