March 2018

A Note From President- Nancy Cordell

We are all anxiously awaiting the arrival of Spring. While the snow gave us an excuse to huddle inside and work on genealogy, the coming of Spring 2018 brings new initiatives to OGS. We have a new website in the works at <http://www.OlyGenSoc.org>. It is not ready yet, but we look forward to it blossoming in the coming month or two. We will let you know when it is in full bloom via Facebook, email, and/or at our monthly meetings. OGS needs to grow. We are trying to sow seeds in the community by doing more Outreach. We are going to have a table at community events throughout Thurston County. If you know of an event where our presence would be appropriate, please let me know. We are hoping to plant all those books we recovered from the Timberland Library in a new home. If you know of an organization that would like to house our books so others may learn from them, please let me know.

Find Your Immigrant & Miscreant Ancestors with Liza Alzo at our Spring Seminar on Saturday, April 7, 2018. The registration form is at <http://www.olygensoc.org/2018SpringSeminarBrochure.pdf> (note that you will need legal size paper to print it out), or you can pick one up at our next meeting.

I look forward to working with all of you to help these projects grow.

A Note from Vice-President- Kathy Erlandson

At the March meeting, 'Meet a Member' will feature Greg Nordlund, who will tell us a little about himself and his research.

Our program speaker will be Annie Hargrave presenting "Oh, what a tangled web we weave, when first we practice to deceive -- The Story of Lester B. Hargrave, Sr." After 20 years struggling to make sense of conflicting family stories about her father-in-law, finally, with the help of DNA testing, Annie was finally able to unravel the legend and solve the mystery. Get ready for twists and turns and a rather startling ending.

A Note from Spring Seminar Chair - Peggy Cooley

The Seminar is coming in just 6 weeks! Have you registered yet? Your form must be postmarked by March 23 to get the best price. Our speaker is Lisa Alzo, who will present on Immigrant clusters, female immigrant ancestors, records produced by distressful events in history and what you can learn from newspapers about your family skeletons. We have many vendors and an expanded lunch menu. I'd love to see you there!
